10th Annual Thanks for Giving Race in Exeter, NH

We are excited to host our 10th annual charitable 5k/10k road race on Thanksgiving Day, November 28th, 2024, and we need your support! Funds collected from this campaign will directly support two local charities within our community.

We are proud to build on our annual tradition and are inviting sponsors to help us showcase this healthy community-building event.

100% of sponsorship donations will be directly donated to:

- Child Advocacy Center of Rockingham County: <https://www.cacnh.org/>

The Child Advocacy Center's mission is to provide a safe environment for the evaluation of alleged abuse of children 3 to 18 years of age. Through the collaboration of public, private, and community partners, they work to ensure the safety, health, and well-being of children affected by abuse and violent crime. They believe their multidisciplinary approach is the best way to serve the needs of these children and their families. They create a neutral place where interviews and services for children are provided. They connect children and families with needed community resources. They coordinate multidisciplinary teams for the child's benefit and educate our community on how to prevent child abuse.

- Seacoast Family Promise: <https://www.seacoastfamilypromise.org/>

Seacoast Family Promise's mission is to empower families with children who are experiencing homelessness to achieve sustainable independence through a community-based response. They envision a community in which every family has a home, a livelihood, and the foundation on which to build a better future together. Seacoast Family Promise offers essential, results-proven strategies ensuring family success. After returning to the community with stable housing and employment, families receive aftercare support through Home Again, a continuing system of case management and support services.

We invite you to become a race sponsor in the spirit of Thanks for Giving, where those with needs in our community are supported and everyone is encouraged to reach their full potential.

If you have any questions, please reach out to Kate Keyoskey (contact info above). Thank you in advance for your consideration to partner with us in this family friendly event.

With Sincere Gratitude,

Katelyn Keyoskey
